

# ATTENTION ANGLERS

## TAGGED SMALLMOUTH BASS ARE IN THE MENOMINEE RIVER

You may catch a smallmouth bass with a yellow tag inserted near the dorsal fin on the back of the fish. All tags have a 4-digit number. If you catch a tagged fish, please record the date, length of fish, and tag number. Use the phone number or website below to report the tag and other info. If you release the fish, you do not need to remove the tag. **Anglers reporting tags will be eligible for cash and other prizes that will be awarded by the Wisconsin Smallmouth Alliance in January, 2015**
